

Coming to San Francisco, CA

Triveni Digital Seminar Series

“PSIP and MPEG Compliance in Practice”

Join members of Triveni Digital's Senior Technology Staff for an afternoon of DTV training.

Triveni Digital has created a curriculum that is coming to your area. Plan on joining us for practical fundamentals and hands-on sessions on PSIP, MPEG-2 and transport stream analysis. Earn 1/2 SBE recertification credit.

This training seminar is FREE! RSVP is required due to limited space. Sponsored by Advanced Broadcast Solutions, Inc.

To register, please contact:
